

# Rolling Green Nursery

## Annual Vine Sampler

\* inventory changes daily

subject to availability

**M**ost annual vines are easy, rapid growers and provide a quick cover on fences & structures that need some summer camouflage. For a quick & simple vertical presence in the garden or large container tie together 3-4, 6-8' bamboo stakes teepee style. Try mixing different varieties together. All prefer full to partial sun a minimum of 5-6 hours or a little afternoon shade.

### CARDINAL CLIMBER

Vivid crimson funnel shaped flowers attract hummingbirds. We love the finely cut foliage, as well, 8-12'.

### COBEA *Cup & Saucer*

Attractive foliage and big bell shaped flowers in August change from green to purple, 8-12'.

### HYACINTH BEAN

Bronze purple leaves, violet flowers, purple pods, a favorite, 6-12'.

### LOPHOSORUM *Compact Rose & White*

We like it in hanging baskets but can easily be trained on a vertical trellis. Flowers are trumpet shaped.

### MANDEVILLA

A tropical heat lover with large funnel shaped pink, red or white flowers. 4-6'

### MOON FLOWER

Green heart shaped leaves and large white flowers, open at night, 10-15'.

### MORNING GLORY

The classic annual vine **Heavenly Blue** with sky blue 4-6" trumpets and our favorite. **President Tyler** an early blooming heirloom variety with purple 6-12'.

### SCARLET RUNNER BEAN

A hummingbird favorite with scarlet flowers, edible beans best if harvested just as beans start to form in pod, keep pods picked for continual bloom, 6-8'.

### SWEET PEA

Fragrant old fashion vine 4-6' like a sunny site with a cool rich soil best amended with lots of compost pick flowers to keep vines producing.

### THUNBERGIA *Black-eyed Susan Vine*

A 6-8' twining vine with soft yellow flowers and a dark eyes. Blooms all summer, great in containers and mixes well with other colors. We also offer **Orange Beauty**.
